

Celebrating the people of Bishop Chatard.

Bishop Chatard is more than a high school. It is a faith community. The strength of that community has, arguably, never shown more clearly than during the 2005-2006 school year. The Bishop Chatard family lost members who were dear to many, but in the midst of that loss it was evident how blessed we truly are. It is our people who make us strong. The vision of life and the values taught at Bishop Chatard are not only encased in books, they are modeled in the lives of the faculty, staff, administrators, parents, alumni, and community members who interact with our students and help to fulfill our mission.

On March 26, 2006, Bishop Chatard High School celebrated the 13th annual Achievement Awards Liturgy & Breakfast. Individuals who, through actions and spirit, make Bishop Chatard a vibrant community were honored. BCHS chaplain Father Rob Hausladen celebrated the liturgy, while BCHS president Brother Joseph Umile, C.S.C., served as master of ceremonies. Under the direction of co-chairs Linda Baker and Gayle Kaster, this year's Achievement Awards ceremony gave us the opportunity to stop and reflect on all that is good about Bishop Chatard.
